

Cincinnati Museum Center Empowers Employees with Paycor's Holistic Platform

Abijita Debata, Senior Director of Human Resources & Payroll

“After implementing Benefit Advisor, we are extremely happy. It's really well designed, very simple to use, very user-friendly.”

Prior to Paycor

Before fully implementing Paycor's suite of products, Cincinnati Museum Center used Paycor primarily for payroll and hiring. **The HR team faced challenges with manual processes, paperwork, and potential errors in data entry.** They needed a more comprehensive solution to streamline their HR operations across the organization's three museums and the National Underground Railroad Freedom Center.

Partnership with Paycor

By expanding their use of Paycor's product suite, **Cincinnati Museum Center created a holistic platform for their entire employee lifecycle.** They implemented Paycor's HR, onboarding, benefits, analytics, and talent development solutions. **This integration streamlined processes, reduced errors, and improved the employee experience from hiring through benefits management.**

Challenges

- Multiple platforms
- Error-prone processes
- Employee training concerns

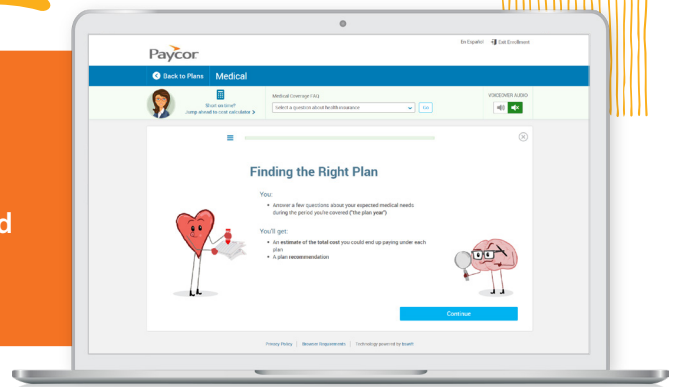

Solutions & Key Features
