Should Paycor Hold My Books Open Until December 31, 2024?

Your payroll records will be closed after processing the last regular scheduled payroll run of the year to accelerate the processing of W-2s and tax filings, unless they have items that require additional payrolls or adjustments. **If your books are not held open and a payroll is needed after the last scheduled payroll run of the year, we may have to reopen books, correct W-2s, and amend returns and the fees associated with each instance.**

If one or more of the items in the box below applies, please submit the "Hold Books Open" form electronically at [Paycor.com/Year-End](https://www.paycor.com/year-end).

Key Dates:

December 6, 2024 – "Hold Books Open" Form Deadline*

If you answer "**Yes**" to any of the following questions, you will need to request for Paycor to hold your books open until **December 31, 2024**.

- Do you provide any of your employees with a company car that also can be used for non-work related purposes?
- Are you an S-Corporation and do you provide health insurance on behalf of the 2% shareholders?
- Will you be paying any year-end bonuses that will not be included in a regularly scheduled payroll?
- Do you pay group-term life insurance premiums for employees with coverage over \$50,000?
- Do you have employer-paid health savings account (HSA) contributions that have not been previously reported?
